

BIFFY CLYRO

Ashdown BTA 400

When Ashdown made a valve amp head, it was always going to be something very special. The new BTA 400 partners a feature-laden ABM EVO III preamp with a sledgehammer 400W vacuum tube power section for earth-shattering tone that just won't quit.

Check out the stunning Ashdown bass sound with James Johnston on the new Biffy Clyro single 'That Golden Rule', out August 23rd - visit www.biffyclyro.com for more info.
